

BECAUSE OF YOU!

WHAT WE DO

Instilling inspiration and empowerment while enhancing the lives of children with serious illnesses.

1 RECRUIT & PROVIDE

Two unique program offerings:
family weekend retreats and summer camp.

Camper recruitment built with strong pediatric healthcare partnerships.

Volunteer recruitment focused on enriching mutually beneficial relationships by engaging universities, colleges, clubs, and the local community.

2 FAMILY ENRICHMENT

Families participate together during retreats, bringing opportunities to disconnect from every-day-life in order to reconnect with each other.

Diagnosed children attend summer camp independently, receiving 24/7 medical supervision, offering time for guardian and sibling respite.

3 CHARACTER DEVELOPMENT

Camp staff are trained to offer educational programming that provides children moments to try new things and build their skills.

All activities are designed with the intent to provide fun-filled days while building relationships in a medically-safe environment.

4 INDEPENDENCE TRAINING

Specialist doctors and nurses spend time at camp to supervise illness specific groups.

Medical staff ensure campers gain experience with illness-management, independence, and self-advocacy.

5 SERVICE ABOVE SELF

Initiatives for our mission built by our participants and community supporters

- I. CCK's Advocacy Committee in Bowling Green & Nashville
- II. R.O.A.R. Camper Ambassadors
- III. Cubby's Coats for Kids

A WARM WELCOME TO OUR NEW CHAIRWOMAN

It is with great pleasure and excitement that we welcome **Elizabeth McKinney, JD**, to her new role as Chairwoman of the Board of Directors at The Center for Courageous Kids. Having previously served as a Director on the Board, Elizabeth brings a wealth of experience and a deep understanding of our mission and values. As a Trust Principal at **The Glenview Trust Company**, her leadership and dedication are exemplary, and we are eager to see how her vision and expertise will propel us forward for the betterment of our courageous kids and families.

A NEW ADDITION TO CCK'S LEADERSHIP TEAM

With an impressive background of 20 years of service at the Bowling Green Police Department, **Matt Edwards** joined the team at The Center for Courageous Kids as our **Chief Operations Officer**. Matt brings a wealth of expertise in leadership, strategy, and operations management. His extensive experience and dedication to public service make him a valuable asset to our organization.

As he reflected on the 2023 camp theme, A Story to Remember, he said, "We got to see a lot of kids come through our gates as first-time campers and I felt I could especially relate to those campers since it was my first time too. It certainly was a story to remember for me, so I know it was for those campers too."

We look forward to the innovative ideas and strategic direction Matt will bring to our team as we continue our mission in 2024. "A heartfelt thank you to everyone who supports us. We are always growing and it's so exciting to allow kids to express themselves in our expanding program areas. This was a magical year," says Matt.

MORE THAN A DECADE AND COUNTING OF IMPACTFUL GIVING

WHAS Crusade for Children has changed millions of children's lives over the years. As an agency that returns 100% of the funds they raise back into organizations that serve children with disabilities in all 120 Kentucky counties, WHAS has been supporting The Center for Courageous Kids every year since we opened our gates in 2008. On this 15th year of giving, The Crusade gave their largest gift to date and celebrated this milestone with a visit to camp in the summer to participate in all the fun the season had to offer. We are thankful for The Crusade's steadfast support. Because of their generosity we can continue to provide the joy of camp at no cost to the families and children we serve.

CELEBRATING 5 YEARS OF QUALITY CONTRIBUTION

The Avril Lavigne Foundation was established in 2010 with the mission to support programs for children living with serious illnesses and disabilities. In 2023, CCK celebrated our 5th anniversary as a recipient of grants given by this foundation designed to give hope and transform lives. They certainly do transform lives here at CCK! THANK YOU to the Avril Lavigne Foundation for their support given towards our Physical Disabilities Summer Camp session!

TOUR DE FORCE IN FOOD & FUN

Gordon Food Service continues to build their connection with CCK by offering far more than fresh and tasty menu items to be prepared in our Dining Hall kitchen. **Jourdain Lamar**, our Customer Development Specialist at GFS, organized a work party of volunteers alongside GFS Sales Manager, **Rhonda Skelley**. GFS team members gathered together in February to assist CCK kitchen staff cleaning and seasonal prep-projects that helped us prepare for the 2023 Spring Weekend Retreat season.

The GFS team returned in the summer to conduct the **2nd Annual Mini-Food Show** to treat the summer staff to samples of novelty food items that could be taste-tested before the summer campers arrived. This delicious activity served as a unique team-building opportunity for our staff that everyone enjoyed! Before GFS left, they gifted CCK with 100 branded water bottles that could be gifted to our courageous kids, proving they understand the importance of health and hydration for our campers. THANK YOU, GFS!

ACHIEVEMENTS IN HEALTHCARE

Hannah Reckart, CCK's **Director of Medical Administration**, has achieved her Advanced Practice RN licensure, marking a significant milestone in her journey in healthcare. Starting as a nursing student at WKU, she joined CCK's Medical Team in 2018, driven by her passion for the program since her days as a camper's sibling.

With Hannah's new credentials, CCK will enhance its 24/7 medical supervision for courageous kids and families, elevating care standards with evidence-based practices and collaboration with specialists. Her ability to manage prescription and over-the-counter medicines on-site will enhance emergency response for campers, eliminating the need for off-site referrals for certain medical events. Additionally, under Hannah's supervision, CCK will now offer clinical hours for Nurse Practitioner students, providing valuable hands-on experience within the camp's supportive environment.

REACHING GREAT MILESTONES: 40,000 CAMPERS SERVED

CCK opened in February 2008 with a dream from our **Founder, Ms. Betty**: to provide cost-free services to children with complex medical conditions. Fifteen years later, we've fulfilled Ms. Betty's vision for over 40,000 campers!

On September 29th, **Anna Miller, our Honored 40,000th Camper**, joined us for a Fall Family Weekend Retreat with her mom, Lindsey. We marked this milestone with a special luncheon, featuring celebratory shirts, a giant cake, and an all-camp dance party!

Anna was born with Osteogenesis Imperfecta (OI) and lives in Chattanooga, TN. She has been a part of the CCK family as a camper since age 6. Now, aged 16, Anna eagerly anticipates returning next summer as an Oldest Camper.

A STORY TO REMEMBER

Once upon a time in 2023, CCK staff and volunteers gathered together to create a year of programming that would truly be **A Story to Remember!** 1,893 campers and family members were given the opportunity to experience something remarkable while their stories unfolded at one of our 26 camp sessions throughout the year. When attending a camp session, courageous kids could choose a character to *play* at camp while *building* character at the same time.

CCK CAMPERS COULD BE:

- The Warrior and **live inspired** to “slay the dragon” by conquering their fears and being brave.
- The Unicorn and **live empowered** to “celebrate their uniqueness” and all of the exceptional things that make them special as individuals.
- The Fairy Godmother and **live enhanced** to “use their powers” to transform everything they touch into the best it can be!

Our 2023 Summer Staff returned this summer, intent to offer overnight independent summer camping, and met their goal exceedingly well. This group of young adults brought positive and creative energy into CCK's 168-acre facility like never before. A special thank you goes to the **Boys & Girls Club of Glasgow-Barren County** for joining our staff on the last days of orientation so that they could gain hands on experience with kids before the first official week of summer camp.

MVP STAFF PROFILE WENDELL KEITH

It is with great honor that we acknowledge Wendell Keith, CCK's Maintenance Lead, for his time and talent that he dedicated to ensuring the areas were well prepped and/or completed with every finishing touch in regard to each expanded area this year. With his multi-faceted talents, Wendell has been a part of the CCK Facilities staff for 6 years and is a valued co-worker amongst his supervisors and peers. THANK YOU, Wendell!

REMARKABLE ADDITIONS AND UPGRADES COLOR THE SUMMER

An expansion to our Equestrian Program that opened in June is the brand new **Haskins Foundation Educational Room**, including “**Critter Corner**”. This area will allow CCK the opportunity to welcome new, smaller animals so that campers can interact at their comfort level in a climate controlled room. Plus, additional educational materials will be introduced to campers about animal care and “fun facts” about the animals they are interested in. A fun feature of the new Educational Room is a life-size mural of our barn animals. A special shout out goes to Glasgow, KY artist, **Casey Page**, for donating his time, talent, and supplies to this area. Thank you for helping us elevate this special activity!

Thank you to the Haskins Foundation and the Wedge Family for their continued support on this project!

The Treehouse Village proudly added another treehouse with the opening of **The Discovery Lodge** this summer. Children of all abilities will be able to experience camp high in the trees as they roam through the fully-accessible treehouse because of the innovative design and intentional purpose.

CCK is thankful for the various sponsors and partners for their generosity in making this project possible!

*Charles Haven Construction
Bluegrass Audio & Security
M&L Electrical, Inc.*

Our friends and supporters at **Fisher Contracting Company** led the way by making a long-awaited upgrade a dream come true in June 2023. CCK closed our series of summer expansions with the **Fisher Campfire Ring**. This transformation took an outdoor space into an even more accessible and inclusive area so that every camper can experience the camp-wide, memory-making traditions that only happen around a campfire.

Fisher has more plans for this area and we cannot wait to see how this relationship develops for future projects to come!

HOUCHENS MOBILE PROGRAM

The **Annual Houchens Food Group Mobile Program** returned this year with over 100 grocery stores and convenience marts participating throughout the entire month of March. Employees and managers from stores located in Alabama, Kentucky, Tennessee, and Virginia helped raise awareness and funds for CCK by selling paper mobiles (paper signs that can be decorated by the donor and then displayed in the store) \$1 at a time. In one month, HFG was able to raise **\$60,000** for the courageous kids who attend CCK! This is a vital program that we are so thankful to be a part of with HFG.

A special shout out goes to **Store #139 Save-A-Lot** located in CCK's hometown of Scottsville, KY. As one store, they were able to raise **\$14,452** of the overall total. They surpassed our expectations and demonstrated what true dedication can do when a group of people unite over a worthy mission. Because of the amazing support of Houchens Food Group, we are able to inspire, empower, and enhance the lives of children with disabilities.

STRENGTH IN PARTNERSHIP

CCK's inclusive and empowering recreation paired with our licensed medical professionals, who are passionate about the work they do and are on hand to make sure everyone remains safe and healthy while they play, are unique aspects to the CCK program. We could not provide our top tier service without the involvement of our Healthcare Partners.

CCK partners with organizations that are connected to similar populations we serve. Healthcare Partners strengthen our ability to reach children and families deserving of a camp experience by assisting us with recruitment and outreach. Plus, our campers and families continue to attend sessions free of cost in part due to the committed support each Healthcare Partner provides.

Healthcare Partners who contributed to the success of CCK in 2023

PREMIER PARTNERS:

Norton Children's Hospital Foundation
 Angelman Syndrome Foundation
 VUMC Meharry Sickle Cell Clinic
 Associates in Pediatric Therapy
 Cumberland Family Medical
 Rett University
 Epilepsy Foundation of Indiana
 The Stella Effect

RISING PARTNERS:

Building Blocks for Kids
 Service One Credit Union
 Spina Bifida Association of Kentucky
 Wake Up Narcolepsy, Inc.
 OI Families
 Kerrington's Heart, Inc.

IMPACT PARTNERS:

Down Syndrome Association of Middle Tennessee
 Clarksville Association for Down Syndrome
 Hart of Autism
 The XLH Network
 The Coalition Against Pediatric Pain

FIRST TIME'S A CHARM

This year we saw the addition of several Healthcare Partners who attended camp for the very first time. Here are some memorable moments and quotes from their experiences.

*"After we got home from camp, on her device she typed, 'more, how have camp.' When we helped her clarify the meaning...she was asking, 'How can I do more camp?'" *children living with Rett Syndrome use an electronic communication device to speak and express themselves* - Rett University*

"This was the best weekend of our lives...life-changing... memories that will last a lifetime. Everyone felt so accepted and loved and cared for at camp."

-The Stella Effect

"As a healthcare worker, sometimes it is hard for me to get to put my fun hat on and just play. CCK gave me that opportunity!"

-Associates in Pediatric Therapy

"I honestly think that this week was the most meaningful event we have ever sponsored for our members." - XLH Network

Service One Credit Union's Favorite Camp Moment:

Our mascot, Gefferson the giraffe, visited CCK to greet the kids and families. Like most mascots, he doesn't speak so we told the campers he was non-verbal and a lot of children with autism are non-verbal too. A family member of a camper spoke to me on the side and shared that her grandson "never talks to anyone and he's just going on and on to this giraffe! This is amazing!"

All year long, campers arrive at The Center for Courageous Kids for a safe place to express themselves and feel like they belong while having fun! Even though day-to-day life might present challenges for these campers, their time at CCK transforms their disability into ability. The **4th Annual Stars & 6 Strings**, presented by **The Perry Richey Group** brought the community together to enjoy a memorable experience while raising funds that ensure a fully-inclusive camp experience can become a reality for every child.

So many faithful supporters and new friends showed up to celebrate under the stars to dream big for CCK's future. The night's festivities were set to the soundtrack, like so many evenings at CCK, of sweet guitar strings and heartfelt melodies performed by some very talented artists, **The Young Fables**. Best of all, on a night hosted by **Spence Sheldon**, the attendees were introduced to CCK's 2023 National Camp Ambassador: **Elinor Brown**. The room was captivated by her story and responded generously.

Upon a Star...

BAIRD

ELINOR BROWN

National Camp Ambassador

Elinor Brown, showed up with her family to enjoy an evening to honor her and the camp she loves to attend. Elinor is 10 years old and has attended CCK as a camper for the past two summers. Elinor attends sessions for children with cardiac conditions because she was born with a single-ventricle heart, otherwise known as half a heart. She has survived two open heart surgeries and is currently waiting on the transplant list. Despite the hurdles that she has faced due to her diagnosis, she continues to look forward to her next visit to CCK and expresses joy when telling us about her favorite thing at camp, "horsies!!"

ELINOR BROWN

CURT & KARYN RAFFERTY

A HEARTFELT THANK YOU TO THE RAFFERTYS

Curt & Karyn Rafferty are long-time supporters of CCK and regular attendees of Stars & 6 Strings. We are beyond grateful for the ways they have opened their hearts and home to propel CCK's mission forward year after year. In 2023, Curt came to us with a dream to enhance this year's event with a larger-than-life bourbon raffle. They opened their personal bourbon collection to us and curated 12 packages of rare, exclusive bourbon that anyone would want! Because of the Rafferty's generosity, we were able to raise a record breaking \$71,000 for the courageous kids CCK serves! Curt & Karyn are dedicated to making a difference in any way they can and we look forward to growing with them in the future.

SHOOTING FOR A CAUSE

OVER 24,000 CLAY PIGEONS WERE SHOT AT BOTH CLAY SHOTS COMBINED!

This year we were able to take our most popular outdoor fundraiser and double it, adding a date to our calendar for more CCK awareness, sport, networking, and fun! Whether you were a competitive shooter, or someone who was just excited to be a part of the fun, any and all had a blast.

M&L RAISED \$84,200 TOTAL

M&L Electrical, Inc. continues their tradition of aiming for generosity and hitting the target every time. **Shooting for a Cause Clay Shoot Tournament** was an idea built through collaboration and partnership with the leadership team at M&L Electrical, **The Mosley Family**, and it's amazing to see how much it's grown. Every year, at the Nashville Gun Club, over 140 people gather to learn more about CCK and our needs while being treated to a day of fun competition.

THANK YOU, M&L, for your unwavering support in this event as Presenting Sponsor!

DIVISION 2 RAISED \$85,266 TOTAL

For the first time in 4 years, our second Shooting for a Cause Clay Shoot, presented by **Division 2 Constructors**, took place at the Nashville Gun Club in 2023. Division 2's owner, **Greg Dew**, previously attended another CCK clay shoot tournament and was so inspired by our mission he decided he wanted to partner with us in a bigger way this year. This 2nd event was made possible by Greg's determination and motivation to make an impact on the CCK camper experience. Thank you to Division 2 Constructors, their staff, customers, and faithful vendors who have come to know and love CCK through this event!

THANK YOU TO OUR SPECIAL GUEST

Thank you to **Sam Reckart**, President of Operations at **Sheldon Restaurant Group** for attending both clay shoots this year and participating in our program. Sam was able to share his experience as a previous camper and how his time at CCK shaped his life as an adult now. His message left an impression on all attendees and made clear the true power of camp!

LEADERS UNITE TO LUNCH AND LEARN

It is CCK's pleasure to serve our local community by offering a leadership development event in Bowling Green for local professionals and individuals alike. **The 3rd Annual Mission Minded Leadership Luncheon**, presented by **Edmonton State Bank**, is a tradition that we look forward to every year. 170 attendees from over 22 businesses in the local area showed up to network and enjoy lunch while learning from our Keynote Speaker, **Cordia Harrington**. Cordia is one of Forbes 100 Self-Made Women for 2023 and shared some wonderful words of wisdom about how to achieve your goals while giving back in big ways that matter. We want to say thank you for her time and commitment to our community at this event.

Helping to coordinate this event is one of the benchmark responsibilities of our **Bowling Green Advocacy Committee**. This group of young professionals dedicate time to educate people in the community about CCK, raise awareness for our mission, and forge new relationships in the community that can ensure CCK's program remains free of cost to the courageous kids we serve! We are pleased to announce the establishment of a **Nashville Advocacy Committee** in 2023 with the hopes to recreate the success of this group in a new region.

HONORING OUR VOLUNTEERS

Simply put, without volunteers we would not be able to give the gift of camp to as many courageous kids throughout the years. Volunteers are the most valuable commodity that we are able to use to make camp a reality for every child. They give of their time and their hearts! The **Annual Volunteer Appreciation Luncheon** is an event hosted at CCK and focused entirely on recognizing the programmatic volunteers and corporate volunteers that serve us every day in a variety of ways. During this time we award some very deserving people and organizations with certificates and gifts that celebrate their hard work. We cannot thank them enough!

WORK PARTIES *Make Our World Go Round*

Corporate volunteer groups and teams from small businesses offer their time throughout the year for work parties that help CCK accomplish small projects before, during, and/or after camping seasons. Thank you to these organization for helping keep CCK in tip-top shape all year long!

The Perry Richey Group
Private Wealth Management

BAIRD GIVES BACK¹ The team at The Perry Richey Group are true friends of CCK and never hesitate to support us with any need. This group arrived on camp before the summer season began to kick-start their annual #BAIRDGivesBack week by beautifying our campus. THANK YOU!

CF CAPITAL

CF CAPITAL² This group arrived on camp looking for some hands on experience with campers and we were happy to oblige! Arriving on a day of our Health Equity summer camp session, each of them jumped right in and helped our campers participate in some favorite camp activities like woodshop, nature, and so much more. Thank you and come back any time!

HOME DEPOT³ Our lodges got a much-needed upgrade with new window blinds when the team from Home Depot arrived on campus. This enhancement will make a difference for every camper and family spending the nights with us throughout the years. We are grateful for their time, tools, supplies, and talent!

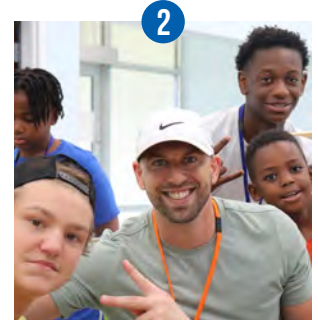

KORT PHYSICAL THERAPY⁴ This volunteer group showed up and gave it all they had. Their time on camp enhanced our program in spectacular ways. Team members from KORT Physical Therapy volunteered for three consecutive days during our physical disabilities summer camp session. Their involvement made such a difference for the campers and supported our summer counselors in many ways. Thank you for everything you did for us during those three days!

LIFEGUARD PRESS⁵ During their most recent visit to CCK, Lifeguard Press brought a group of their dedicated staff to participate in a team building work party. Their crew helped to reset a few of our camper-favorite program areas to get us ready for our spring season. Additionally, they dropped off a donation of \$6000! Their dedicated staff came together to raise funds as a team and awarded CCK as their charity of choice. THANK YOU!

PAN-OSTON⁶ Volunteerism is an important value at Pan-Oston for the employees and the executives alike. A group of team members showed up on a departure day of one camp session this summer. They helped load camper luggage into cars as they readied to leave camp and go home. The group also assisted CCK staff in the resetting of all program areas and lodges after a long week of fun-filled (*and sometimes messy*) moments so that the next group of campers could have a clean and tidy facility upon arrival. Their helpful hands and open hearts make an impact far beyond the one afternoon they spent with us. Thank you Pan-Oston!

CCK
VOLUNTEERS
GIVING TIME | TOUCHING HEARTS

CCK IN THE COMMUNITY

HOMEMAKERS HAVE A HEART FOR CCK

In the spring, CCK put a call to action out to our community for new linens and the **Kentucky Extension Homemakers Association** responded in amazing ways. After 15 years of action-packed camps, our linen closets were in much need of a restock. When we expressed our need, homemaker groups from all over Kentucky began working on projects and sending new linens and quilts by the stacks. Some groups stopped by and took a tour of our facility as well. A big heartfelt thank you goes out to our faithful homemakers!

Thank you to these groups:

Adair County Cooperative Extension Service
Buck Creek Homemakers
Calloway County Homemakers
Clear Fork Quilters
Community Greeters Newcomers Club of BG
Creative Quilters of Southern KY
Cross Country Homemakers
Davies County Homemakers
Fountain Run Mennonite Sewing
Franklin Homemakers
Hart County Homemakers
Kentucky Extension Homemakers Association
Knox County Extension Homemakers
LaRue County Extension Office Quilters Club
Lyon County Homemakers
Morganfield Young Homemakers
Ohio County Extension Homemakers
Peacemakers Quilt Guild
Quilting Friends of Glasgow
Round Pond Homemakers
Warm Heart Quilters

WARMTH & HOPE FOR ALLEN COUNTY

CCK's 3rd Annual Cubby's Coats for Kids, sponsored by the Elizabeth Turner Campbell Foundation, was able to provide 296 coats to the children of Allen County. This free program is designed to meet a need for our local community while also offering festive family fun for two nights including a coat pick up, a s'mores campfire, a hot chocolate bar, popcorn buffet, and arts & crafts station. The opportunity provided to us to give back to our community is one of the most important events we host each year. It is our hope to continue this tradition for years to come.

BOWLING GREEN KOA HOLIDAY'S 3RD ANNUAL JR. ARCHERY DAY

Bowling Green KOA Holiday's 3rd Annual Jr. Archery Day was so much fun! On a fall Saturday morning, kids from all areas of Western Kentucky gathered at the venue to learn how to shoot a bow and arrow and then put their skills to the test in a fun competition. This was a great way for young kids to discover the outdoors while getting away from technology and devices. A BIG THANK YOU to Executive Vice President of the Bowling Green KOA, **Courtney Kuzma**, and **Brian Webb**, Commonwealth Broadcasting's ESPNradio102.7 host for organizing the event and choosing CCK as a recipient of the funds that were raised!

LOCAL LEADERS VISIT CCK

CCK was honored to be a tour location for this year's class of **Leadership Bowling Green**. Being a part of this program, organized through the **Bowling Green Area Chamber of Commerce**, gives our team the opportunity to participate in the Health & Human Services Day and show off our beautiful campus while teaching local leaders about our program with the hope that they find ways to get involved in the future. We are so fortunate to be listed as one of our community's essential human service resources!

CORPORATION'S GENEROSITY IS A HOLE-IN-ONE

Bowling Green Metalforming organized the **2023 Scramble for a Cause**, a golf tournament benefiting The Center for Courageous Kids. Every year, CCK relies on corporations like this to motivate their staff and executives to see camp's life-changing mission as something they can support as a team. Because of their effort this summer, they were able to raise **\$7,891** for our medically diagnosed and disabled campers. Their impact will go directly to positively enhancing the camp experience for every child who attends CCK.

A FINALIST IN WASHINGTON, D.C.

Public Interest Registry, the people behind .ORG, named The Center for Courageous Kids a finalist for the 5th annual .ORG Impact Awards and invited two CCK representatives to attend the awards ceremony in Washington D.C. This program recognizes outstanding mission-driven individuals and organizations from around the world for their positive contributions to society. CCK was honored to be amongst the 35 organizations selected from the 1000 applications from more than 70 countries.

GET INVOLVED

1 DONATE FINANCIALLY

When you give to The Center for Courageous Kids, you change the lives of children with disabilities and medical conditions by giving the joy of camp.

- Become an Ember Member and give monthly
<https://www.courageouskids.org/donate/>
- Leave a legacy and make an estate gift
- Contact Director of Development, Jill Isom, for more information: (270) 618-2900 ext 227

2 ORGANIZE YOUR EMPLOYEES TO SERVE

Engage your employees and co-workers by finding out ways to give back as a group. The impact your company can have when you serve together at CCK is the most meaningful community service opportunity in the area!

3 FUNDRAISE IN YOUR COMMUNITY

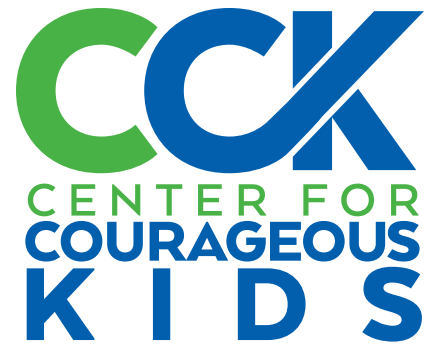

You are welcome to join forces with your school, club, church, neighborhood, etc. to organize an event in your area to benefit CCK. Email info@courageouskids.org with your ideas!

4 VOLUNTEER

Volunteering at CCK positively affects the lives of the courageous kids we serve and your life too! Make camp happen and find out the latest volunteer opportunities by emailing volunteer@courageouskids.org.

5 DONATE GOODS

We often need specific items to keep our program running at full speed. Every donation matters! Your contribution of goods or supplies can take the campers' experiences to the next level. Let us know what you can offer by emailing info@courageouskids.org.

COMING IN 2024!
