A Warm Welcome to a New Board Member

In 2020, The Center for Courageous Kids welcomed a brand-new board member. Mark McDonald, M.D., Medical Director at Norton Children’s Hospital, is a natural fit as an advocate for the mutual efforts we carry in common for serving children living with serious medical diagnoses.

“Norton Children’s medical group is the largest pediatric physician practice in the state of Kentucky. Norton’s mission is to provide quality health care to all those we serve, but that does not stop after one leaves the hospital or doctor’s office. Patient populations with complex medical conditions can benefit from all that the camps at CCK can offer,” says Dr. McDonald. We are very thankful for the faithful leadership Dr. McDonald offers to his community every day, and we look forward to working with him to deepen his support of our message and mission.
DEAR CENTER FOR COURAGEOUS KIDS COMMUNITY,

The year 2020 was eventful, to say the least. We could define it as the year of pivoting and evolution towards a “new normal” for medical camping. The winds of change have pervaded every aspect of CCK’s operations, from our activities to the way we were able to communicate with children and families. No one has been immune to these changes. It is my pleasure to present our milestones for the year and give you a glimpse of the astonishing successes showcased throughout our 2020 annual report.

All in all, 2020 has been a remarkable year with many twists and turns. I extend my heartfelt gratitude to the CCK staff for their dedication and leadership, for their unwavering support of our mission and, most importantly, for their passion and commitment to serving our children in the midst of a pandemic. As one of the premier medical camps in the nation, we know that we cannot rest on our past accomplishments, but we need to keep delivering on our promises to our campers living with various medical conditions, by providing opportunities to have fun-filled days while forming great friendships in a safe environment.

Thank you for being advocates for The Center for Courageous Kids. In the years to come, we will be growing and deepening our support and offerings, ensuring we are a strong resource for the over 3,000 campers and families who will return to CCK each year. Thank you for the critical role you played in our efforts to lift up our campers and their families. As we continue on our journey to a stronger CCK community, we are honored that you have chosen to join us as a partner, supporter and friend. Thank you for locking arms with us and for your steadfast support in the midst of an ever-changing climate. We couldn’t have done it without you!

Joanie O'Bryan, President/CEO

A Message from Chairman of the Board

As CCK Board Chairman, Shawn Perry believes in investing in his community. His passion for serving others is reflected in his role with camp. Shawn was initially introduced to CCK while he served on a committee with CCK’s CEO/President, Joanie O’Bryan. After that, Shawn’s experience called him to be more involved with the mission. When asked to join CCK’s Board of Directors, Shawn reflected on his first time on CCK’s campus, “As most people do, I quickly fell in love with the campus when I first toured. I believe my role on the board is equal parts oversight and advocacy. The leadership of the organization has done a great job making CCK more visible outside of Kentucky.”

Shawn has become a steadfast figurehead of the CCK board as Chairman. He maintains his involvement with CCK in a number of ways, from talking about CCK whenever he meets someone new, to taking part in on-site programming. “Anytime I can be around campers and their families is a highlight! My work team volunteers every year during Carnival Night and we always leave more in love with CCK.” With Shawn’s guidance and leadership, the future of CCK shines brightly.
Advocacy Opens Hearts and New Connections to CCK

Establishing awareness in the local community is an essential component to creating new relationships and partnerships for future growth and development at CCK. Thanks to the CCK Advocacy Committee, the Bowling Green network of dedicated supporters is getting bigger by the day!

Acting as an extension of CCK’s Development Office, advocates serve by helping to establish new connections with individuals and businesses while also enhancing our special events by boosting new sponsorships and participation. Most importantly, these individuals fully immerse themselves in our mission to inspire families and empower children with serious illnesses by volunteering their time and engaging through their support.

These standout young professionals are already leaders within the Bowling Green area, using their platforms to improve our region. We are so excited to be adding six new members to our committee in 2021 and look forward to what they are able to accomplish for our courageous kids!

**RETURNING MEMBERS:**
- **Drew Richey**, Committee Chair, The JPR Group
- **Jill Goodwin**, WNKY
- **Mandy Hicks**, English Lucas Priest & Owsley, LLP
- **Nicole Payton**, BKD/CPAs & Advisors
- **Brooke Summers**, WUHU-FM

**NEW MEMBERS:**
- **Tyler Brown**, FHG Clothiers
- **Magen Estep**, VIP Bowling Green
- **Krystal Parker**, M&L Electrical, Inc.
- **Samuel Reckart**, Chick-fil-A of Bowling Green
- **Spence Sheldon**, Donatos Pizza
- **Jeremy Zulz**, South Central Bank
Courageous Campers Give Back to the Place They Love:

ROAR Camper Ambassador Program

The ROAR Camper Ambassador Program is a camper centered initiative that allows for intentional and strategic avenues of camper involvement with CCK throughout the year. CCK is privileged to offer campers the ability to give back to a program that holds a special place in their heart. These amazing children are introduced to living a philanthropic life and building the value of servitude for others. By being a part of ROAR, campers can share their perspective of the impact camp has had on their lives while assisting CCK by raising support, awareness, and resources to send other children, just like them, to camp.

Ambassador Spotlight:

For Levi Logsdon, 2020 ROAR National Camper Ambassador for CCK, determining his influence in the lives of others comes naturally. Born with cerebral palsy, Levi spends many of his days seeking knowledge and sharing his generous spirit with others. Ever resilient and positive, this opportunity allows Levi to showcase his selfless demeanor, bright smile, and love of camp by assisting with raising awareness and funding for CCK. As well as inspiring other children like him to attend camp, his message to others who want to support CCK is simple, “I love CCK! You make camp happen for kids like me!,” says Levi. We are excited to work with Levi and share his smile, passion for life, and desire to spread joy as an ambassador this year.

Thank you to the additional ROAR Ambassadors in 2020:

Levi Logsdon
Seth Cate
John-William Childers
Tollsyn Crandall

In the rolling hills of Kentucky, CCK’s 168 acres are surrounded by pristine white fences, but the impact of our program goes beyond those fences and travels further than Kentucky state lines. Each and every camper receives the same 24-hour medical care and recreational experience, jam-packed with inclusive and fun activities, no matter if they travel 1,000 miles or 2 miles to get here. Our supportive Healthcare Partners span the map too! Across the nation, organizations serving populations that can benefit from CCK’s services exist. Partnering with these groups help to drive our mission forward. Healthcare Partners strengthen our ability to reach children and families deserving of a camp experience by assisting us with recruitment and outreach. Our campers and families continue to attend sessions free of charge because of the committed support each Healthcare Partner provides.

Healthcare Partners who contributed to the success of CCK in 2020:

**PREMIER PARTNERS:**
- Norton Children’s (Louisville, KY)
- Angelman Syndrome Foundation (Aurora, IL)
- Project Sanctuary (Granby, CO)
- Vanderbilt Center of Excellence in Sickle Cell Disease (Nashville, TN)

**RISING PARTNERS:**
- Siegel Rare Neuroimmune Association (Powell, OH)
- Epilepsy Foundation of Indiana (Indianapolis, IN)
- Experiencing Autism Together (Henderson, KY)
- Kentucky School for the Blind (Louisville, KY)
- Osteogenesis Imperfecta Families (Indianapolis, IN)

**IMPACT PARTNERS:**
- The Coalition Against Pediatric Pain (Marshfield, MA)
- Clarksville Association Down Syndrome (Clarksville, TN)
- Down Syndrome Assoc. of Middle Tennessee (Nashville, TN)
- Wake Up Narcolepsy, INC. (Worcester, MA)
- Wendell Foster (Owensboro, KY)
- Baptist Memorial Health Care Corporation (Memphis, TN)
- Hart of Autism (Munfordville, KY)

"Together with CCK, we have been able to offer TCAPP’s Pediatric Pain Week for the last six years. Many of our children have met someone ‘just like them’ for the first time in their lives. Not only do our children now have friends who understand what they live with every day, but the parents have also found support and comfort from each other. CCK has given our children and families the gifts of love, support, and fun!! TCAPP is so grateful for the opportunity to work with CCK and bring such happiness and fun to the lives of these children."

Sue Pinkham, TCAPP President
CCK Camp Out a Big Hit

The Great CCK Campout presented by WNKY News 40, was fantastic! A special televised experience where camper families, supporting friends, donors, and CCK staff were all able to participate together from the safety of home. It was a night of impact, honesty, and compelling realness. There were lots of s’mores, music by our friends A Thousand Horses, and meaningful stories told around the campfire during the 30-minute segment fully focused on spreading the word about The Center for Courageous Kids. We are excited to share that more than 10,000 households were reached through television, computers, or social media networks during this innovative broadcast event. We raised over $30,000 for our courageous kids during one evening at The Great CCK Campout!

The Great CCK Campout brought our community together to enjoy a memorable experience while raising funds that may redefine a child’s life through a fully accessible camp experience. This impact is made greater by the support of community partners like Julie Milam, General Manager at WNKY News 40 in Bowling Green, KY. Julie played an influential role in organizing this event and participating as host of the evening. “CCK has our hearts,” says Julie, “I cannot wait to see how many lives we can touch together. There are no limits.” CCK is grateful for having the love and dedication of Julie Milam, who continues to demonstrate that Because Local Matters is not just a motto, but a way of life!

For many of our camper families, CCK represents their sole recreational experience throughout the year. This knowledge drives CCK in its goal of expanding programming options for our courageous kids to enjoy. In 2021, CCK will be unveiling a new and exciting program…The Jim & Doris Ford Miniature Golf Course!

With adaptable golfing equipment and an expanded 9-hole layout to accommodate all levels of ability and movement, this fully accessible course takes participants through uniquely themed holes allowing for a sense of adventure at every stop! To ensure the course can be enjoyed through every season, the area has been constructed to include an overhead shade structure, cooling fans, and lighting options. Thanks to the generosity of Steve and Kathy Ford, Ron and Barbara Spaulding, and Scott, Murphy & Daniel Construction, CCK’s courageous campers will be able to enjoy a brand-new camp activity sure to create smiles with every hole-in-one!
Local Artist Brings Camp to Life

Over the past decade, local graphic designer and artist, John Thompson, has created a heartfelt connection with the mission of CCK. This has allowed John to blend his exceptional talents with the spirit of camp in his creation of marketing material that perfectly expresses the CCK experience. For those who visit CCK, his heartfelt talents are now on display for all to enjoy.

John has artfully crafted murals throughout the CCK administration and medical buildings, highlighting the joy and excitement of the camp experience our courageous campers enjoy. His ability to bring camp to life in a manner that is on display throughout the year comes from his deep relationship with the CCK mission. “I’ve worked with CCK for over a decade, and I never cease to be awed by what they do. As soon as you arrive there, you know you’re in a place of love, excitement and acceptance. Having my artwork serve as a backdrop for areas of the camp, knowing that the children will be inspired by it during their stay, has been one of the greatest honors I could wish for. Whether it’s one of the large murals or the Christmas card illustration, I have always made it my goal to capture that spirit,” said John. We’re grateful to have the talents of John, who always captures the true beauty of camp as only he can.

“I’ve worked with CCK for over a decade, and I never cease to be awed by what they do.”

Bullseye: Shooting For A Cause raises $43K

Each year, CCK plans special events to raise money for our courageous kids. Events give us an avenue to build awareness for CCK, connect with our community, and cultivate precious relationships that mean so much to us. Thankfully, the stars aligned, and we were able to host the First Annual Shooting for a Cause Clay Shoot sponsored by M&L Electrical, Inc.

M&L Electrical, Inc. and CCK staff worked hard by rallying vendors, friends, and community partners for this event. We welcomed over 30 generous sponsors, hosted 19 shooting teams, and raised $43,850 for the courageous campers who attend CCK! The energy at this event was inspiring and uplifted the spirits of all who attended. The event gave everyone a chance to hit the pause button and come together to benefit The Center for Courageous Kids. We are so thankful for the unwavering and faithful support that M&L Electrical, Inc. provides CCK. We are forever grateful.

"M&L is truly honored to give back to a remarkable organization such as The Center for Courageous Kids. Our partnership allows us to positively impact the lives of those in our community, and we look forward to many more fulfilling years with CCK."

Chris Mosley, President of M&L Electrical, Inc.
The Stormi Murtie Service Above Self Award is given annually to a volunteer or volunteer group who demonstrates passion and dedication for serving others. This year’s recipient is the Scottsville Fire Department. Since 2008, this dedicated group has committed themselves to safeguarding CCK, as well as making sure they bring their unique brand of fun to the camper experience.

The SFD has NEVER missed the campers’ favorite activity, the Get Messy Games. These dedicated volunteers are there each week to ensure that the campers get to rinse themselves off in the most fun way possible! Each camper is encouraged to take a turn underneath the fire truck’s waterfall finale. The success of CCK relies on the generosity and service of the local community, and we are grateful that the Scottsville Fire Department provides both in such abundant fashion.

Just as the love for CCK in the Nashville music industry continues to grow, the evolution of how music plays a part in the sounds AND sights at CCK blossoms too. In 2020, miniature golf just got a little more rock and roll with the addition of a 10-foot fiberglass guitar to be installed as a course hole element. A few years ago, guitar sculptures like this were a part of a public art display on the streets of Nashville, TN called Gibsons’ “Guitar Town”. A special thanks goes out to Gibson Gives for this tremendous piece! Gibson Gives regularly supports our campers by donating Gibson Guitars to be auctioned at CCK’s various special events.

This remarkable piece was custom painted for CCK by Rob Hendon, Nashville’s own original guitar painter, who donated his incredible talent and time! Rob has painted custom pieces for The Ryan Seacrest Foundation, Luke Combs, Brad Paisley, Charlie Daniels, Garth Brooks, and many more. Rob was inspired by the music and artistry of famed guitarist, Eddie Van Halen, who passed away while Rob was working on this piece. Rob honored Mr. Van Halen’s contributions to music by creating a design that mirrored his famous stripes. We are so grateful to have this beautiful and unique piece of art displayed at CCK!
360-Degree Tour Offers a New View of Camp

New and potential camper families attempting to determine if a residential respite experience at The Center for Courageous Kids is able to accommodate their unique needs is often a leap of faith due to the lack of resources to explore. Thanks to CCK’s newly integrated 360-Degree Virtual Tour Experience, designed by Vid Monster Productions, prospective guests of camp can enjoy a firsthand look at the campus from the comforts of their own homes. Families can now build a sense of understanding and comfort with the campus by being able to virtually navigate every building and program area, as well as take in the beauty of the campus scenery. For Vid Monster founder, Sam Kirby, assisting families with the decision to attend camp is an important aspect of this collaboration, “I look forward to allowing families to virtually get a glimpse around the camp to see all of the awesome amenities CCK has to offer...we love that we were able to get involved in a new way,” said Sam. CCK is excited to share our campus with the virtual community and look forward to the excitement it generates for future visitors to CCK!

CCK Offers First Ever Virtual Camp

Social isolation, and its impact on our courageous kids, was a greater burden to bear in 2020. For camper families who took extra efforts to ensure their children stayed safe at home, CCK had to temporarily close its gates. A year without the community of empathy, support, and compassion all encompassed at CCK meant that some time would have to pass before we could share laughter and make memories in the same place once again. The new virtual initiative, From Our Home to Yours, (FOHTY) was created to ensure that no camper went through 2020 without the presence of CCK in their lives. FOHTY brought the fun, zaniness, and creative programing that CCK has shared since 2008, directly into the homes of families across the nation.

Brittany Ransom-Doss, CCK Camp Director, viewed FOHTY as an opportunity to create a new program that could maintain an accessible connection to the spirit of camp. “Our FOHTY program, this year, gave us the opportunity to engage our families in a way that was completely new to CCK. Families were able to interact, laugh, and play with us from the comforts of their living room while still upholding the spirit and love that they would normally experience onsite,” said Brittany. These efforts proved that the CCK experience can travel from home to home, one computer screen at a time!

“Cooking with Yvonne” Brings the Joy of Cooking to Families

Lifelong family memories are created in the kitchen. For Yvonne Starlin, CCK Director of Dining Facilities, creating the virtual program Cooking with Yvonne was an effort to blend making memories at home reminiscent of memories made while cooking at camp. Choosing thematic, campy, and family friendly menu items, Yvonne’s videos were viewed hundreds of times by families seeking to replicate her recipes.

Cooking with Yvonne allowed families to take part in the food service program from a unique perspective, providing an open window into the love and personal connection that Yvonne uses in her role at CCK. As a mother who understands the joy of cooking with her family, Yvonne had a simple hope for camper guardians. “As a child, some of my fondest memories...and the start of my cooking journey, began in the kitchen on my grandparent’s farm. My hope is that the ‘Cooking with Yvonne’ series brought a little bit of our home into yours, helped to create some lasting memories, and sparked a love of cooking in our courageous campers,” said Yvonne.
International Rock Star Shares the CCK Mission Worldwide

The mission of CCK was given international recognition by the Avril Lavigne Foundation during a 30-second promotional spot showcased on Lavigne’s virtual concert livestream. Lavigne performed a career-spanning set filled with her hits and fan favorites. Joined by a collection of friends in the music and entertainment industry, Lavigne’s concert aimed to raise awareness for individuals affected by Lyme disease and benefitting the Global Lyme Alliance and the Avril Lavigne Foundation.

This generous invite to promote CCK’s story across the world continues the Avril Lavigne Foundation’s support and recognition. In 2019, as an effort to create the safest camper experience, Lavigne’s Foundation issued a grant that allowed us to protect our grounds from ticks and mosquitoes with a prevention treatment performed by Ivy Oaks Analytics. CCK plans to continue this treatment plan with the support of the Avril Lavigne Foundation! THANK YOU to the Avril Lavigne Foundation and Ivy Oaks Analytics.

Koon Family Foundation Assists Facility Expansion

The year 2020 was full of many unexpected twists and turns that affected CCK’s programmatic operations. In the midst of pivoting our focus, an eye toward future facility growth and expansion began to form. CCK was thrilled to be the recipient of a Koon Family Foundation grant increasing our ability to serve children living with medical diagnoses. This generous grant allowed CCK to overhaul its onsite water management system, ensuring a more accessible and efficient mechanism. The new system enlarges CCK’s water line capacity, ensuring that as camp grows, the facility can accommodate all guests with the quality of service it has become known for offering. Thank you, Koon Family Foundation, for supporting CCK’s capability to maintain a facility that can serve its camper families in the highest of standards.
CCK Website Unveils New Format and Design

CCK has always been just a click away at www.courageouskids.org. But now, site visitors will be welcomed with an upgraded new design and format that offers a dynamic new appearance. With a goal to provide a more user-friendly format and fresh layout, CCK collaborated with marketing agency, CrowdSouth, to communicate CCK’s mission and services.

Jason Heflin of CrowdSouth used his familiarity with CCK’s mission while designing a vision for this project. When asked about working with CCK, Jason said, “Our agency has had the honor of partnering with The Center for Courageous Kids now for several years. The new design encourages interaction and engagement and really pushes the mission of CCK to the forefront. We couldn’t be more honored to be a small piece of the fantastic work they do and to be an extended part of the CCK family.”

Cubby’s Closet Undergoes Remodel

Families love CCK apparel! Each weekend, when Cubby’s Closet opens, families and volunteers line up to shop the latest CCK fashions. With comfy clothing, household items, and fun souvenirs to browse, there are endless opportunities to take home brand new items to wear and reminisce about the latest visit to camp. In an effort to offer guests a more pleasant shopping experience, we’ve remodeled Cubby’s Closet.

The newly remodeled layout has been designed to allow families and volunteers a more accessible flow of movement throughout the room, as well as around the merchandise. Shoppers will be able to enjoy selecting their favorite CCK items while also spending less time checking out, providing them a quicker return to camp activities.

Battle of the Banks StiCCKer Campaign was a SUCCESS!

Battle of the Banks StiCCKer Campaign kicked off with South Central Bank raising $2,720 in just one month! This was a time where South Central Bank employees from all 24 bank locations had the opportunity to help our courageous kids “cash in” on a PRICELESS camp experience at CCK by simply asking bank customers to donate a dollar when they visited the bank. It was so inspiring to see so many individuals from our community come together to make a difference in the lives of the courageous kids we serve. A special thank you goes out to South Central Bank for their faithful and ongoing support!
Home Depot Refurbishes Beloved Woodshop

In 2020, CCK was thrilled to add brand new work stations to our much loved Woodshop. These individualized workspaces come equipped with every tool and supply a camper may need to gain the full experience our Woodshop has to offer. Families will develop independent creativity with fun and unique projects during retreat seasons. In the summertime, these new stations will allow campers the opportunity to develop their fine motor skills and problem-solving skills through a hands-on track program element. Chip and Joanna Gaines better watch out, a CCK camper could be headed for the next opening at HGTV showcasing home renovation entertainment! These improvements were made possible this year through the generous support of a grant from Home Depot.

24-Hours Makes Big Difference for Courageous Campers

In a year where traditional routines and events were altered or postponed, CCK was reminded that the spirit of generosity remains in our hearts. Started in 2012, #GivingTuesday has grown into a global movement that inspires millions of people to celebrate the atmosphere of giving through the power and connection of social media. Knowing the impact our camp experience has on our camper families, the CCK community answered the call to give the gift of camp to our courageous kids.

On a day that is vital to CCK’s fundraising efforts, 2020 saw corporate donors, camper families, alumni staff, and volunteers harness the power of philanthropy in a time where children need camp more than ever. In just 24 hours, CCK received 90 contributions and two $5,000 matching gifts, concluding #GivingTuesday with a total of $22,494 raised! These generous donations will pave the way for future campers to create personal stories of growth, achievement, and lifelong friendships.
Lindsey Wilson Bonnor Scholar Program

A lifeflood of our weekend retreat program are the dedicated and talented volunteers that bring their generous hearts of servitude in making camper families feel safe, respected, and loved. Since 2011, the Lindsey Wilson Bonnor Scholar Program has been an unwavering service group participating with CCK to impact the experience for our courageous kids.

Each retreat, the Bonnor Scholar volunteers serve as personal hosts to families, or assist CCK in facilitating the various program offerings. Annually, Lindsey Wilson’s Bonnor Scholar Program supply an excess of 6,000 hours of service. “Our mission at CCK is to inspire, empower, and enhance in helping change the lives of our courageous kids,” says Volunteer Recruiter, Krista Reece, “The Bonnor Program does just that. CCK would not be the experience it is for our camper families without the intentional investment made in ensuring their stay is memorable.” We look forward to continuing this special relationship with Lindsey Wilson Bonnor Scholar Program as they make every effort to create lasting influence in their community.

Hitting the Road for CCK!

Members of the Master Builders Masonic Riders Association put their kickstands up for our Courageous Kids and rallied their members and community for their annual Motorcycle Ride benefiting CCK. This event raised $2,100 in 2020 and has become an event that CCK relies on each year. These guys have a big heart for our courageous kids and we remain thankful for their faithful support. This is just one example of how people can use their passion to benefit CCK. Until next year, Ride ON!
